How CAN PARENTS—Allow their
 children to cough and calmly say:
 "Oh! its only a little cold," and
 keep giving them cheap medicines,
 until they are down with lung fe-
 ver or consumption, when they
 can be so easily relieved by using
 BEGG'S CHERRY COUGH SYRUP?

 equals. W. H. Chedie, Druggist

 you will cough and keep coughing

Arizona Joe's combination, with
 horses and dogs on the stage, will

 the fat of the land in his market
 and is here to stay. Give him a
 call.

The main street at the railroad
 crossing of the switch-track needs
 repairing as it is full of chuck
 holes.

Grouse and quail can be found
 in the mountains in much larger
 quantities than was expected af-
 ter the hard winter.

What does Nevada propose to
 do at the World's Fair? Are we
 not to be as well represented by
 products as our sister States?

The American flag was ordered
 down by a militiaman in Toronto
 at the Exposition and as quickly
 ordered back by the manager.

Abe Cohn returned from San
 Francisco yesterday with the lat-
 est fads in his inside pocket and
 a brand new stock on his heels.

The Directors of the Sacra-
 mento State Fair have decided
 not to exhibit the painting of a
 nude woman called "Morning."

The report that Colcord is a
 low wages man is knocked out by
 the Hawthorne Bulletin, which
 states that he never paid less than
 \$3.50.

The improvements on H. M.
 Yerington's residence are nearly
 completed. Although the gen-
 eral appearance of the house is
 unchanged, it is much more com-
 modious.

Nevada raised stock when prop-
 erly cared for beats the California
 production in flavor and quality.
 Gardner takes care of his own
 herd, and all meat coming from
 his market is bound to be tender
 and sweet.

Meat immediately after being
 slaughtered is never tender and
 should be kept a day or two. In
 order to have it fresh after the
 expired time it should be kept in
 a cool place. M. C. Gardner sells
 meat both tender and fresh, as it
 is always surrounded by ice at a
 freezing temperature.

The young women of New Or-
 leans who married Chinamen will
 speedily repent of their folly. The
 bridegrooms joined the Catholic
 church, but change of religion
 will not change the Celestial nor
 make him regard a woman as
 other than a chattel, made ex-
 pressly for his services. It is no-
 thing short of a crime for any
 clergy to sanction such marriages
 as these. If white women are
 determined to throw themselves
 away on Chinese their social
 crime should not receive the sanc-
 tion of any church.

The nomination of Theodore
 Winters for the Governorship by
 the Democratic Convention at
 Reno is without doubt the strong-
 est that the Democracy of Ne-
 vada could have made, and there
 is no use in disguising the fact
 that he can only be beaten by a
 close attention to details during
 the campaign and a united effort
 on election day.

The nomination of Winters in-
 sures a campaign free from mud
 throwing. The Democratic press
 can not impeach the record or
 personal integrity of Colcord nor
 can the Republican press assail
 the character of Theodore Win-
 ters. The fight therefore simply
 resolves itself into a question of
 party politics. Mr. Winters in an
 excellent gentleman but on the
 wrong ticket to insure him a suc-
 cessful campaign.

Bar silver 1.15.

ALL HANDS MOVING.

The Present Activity in the River
 Mills Due to Republican Push.

A visit to the quartz mills on
 the Carson river brings out the re-
 sult of the rise in silver in a very
 plain way. The constant thump-
 ing of the heavy stamps on the
 gold and silver ores awakens the
 oldest silurians to the fact that
 Nevada is once more marching to
 the portal of prosperity with a
 slow but steady tread.

Each stamp that crushes the
 rock in its path echoes a foot-fall
 that goes to open her flood-gates
 and turn loose to the world her
 millions of dollars in legal tender,
 that has been the means of mak-
 ing the great West what she is.

The roar of the rushing waters
 as it belches the pulverized rock
 into the sluice boxes is naught but
 the voice of the honest miner,
 who has waited for the rise many
 long and tedious years.

It has come at last, and to-
 gether with his pick and shovel he
 will take from the solid earth,
 piece by piece, the power that he
 can for a surety depend upon.

With bar silver at 1.15 and 20
 and still climbing, the develop-
 ment is bound to go on, and the
 mills will continue to work steady-
 ly with the quartz, to make it
 give up its wealth.

The following figures will show
 what is being done, and the pres-
 ent condition of things indicates
 that it will continue to be done for
 some time to come:

Eureka Mill, Con. Va. ore, 260
 tons per day.

Douglas Mill, tailings, 200 tons
 per day.

Brunswick Mill, Overman and
 Yellow Jacket ore, 200 tons per
 day.

Mexican Mill, Savage and Crown
 Point ore, 125 tons per day.

Morgan Mill, tailings, 100 tons
 per day.

Rock Point Mill, Savage ore, 60
 tons per day.

Vivian Mill, Belcher ore, 40 tons
 per day.

These figures are likely to in-
 crease in a few days, and will in all
 probability double if silver con-
 tinues to rise as rapidly as it has
 of late.

Each mill has on a heavy force
 of men, and laborers who have
 heretofore been idle are now hold-
 ing down lucrative positions.

The Democratic Nominations.

The following nominations were
 made by the Democratic Con-
 vention at Reno yesterday:

Congressman—Geo. W. Cassidy
 of Eureka.

Supreme Judge—McMillan of
 Humboldt.

Governor—Theo. Winters of
 Washoe.

Lieut. Governor—R. Sadler of
 Eureka.

Secretary of State—John T.
 Brady of Storey.

Controller—C. May of Esmer-
 alda.

Attorney General—Love of Eu-
 reka.

District Judges—A. L. Fitzger-
 ald, J. W. Dorsey, M. G. Boni-
 field and W. L. Knox.

Clerk of Supreme Court—W.
 W. Booher of Humboldt.

Surveyor General—T. K. Stew-
 art.

State Printer—Will U. Mackey
 of Ormsby.

Superintendent of Public In-
 struction—W. G. Hyde of Storey.

University Regents—R. G. Os-
 borne of Washoe, and W. E. F.
 Deal of Storey.

John Wagner and Jacob Web-
 ber were mentioned for Treasurer
 but declined.

For lame toe, side or chest
 use Shiloh's Porous Plaster. Price
 50 cents.

WHAT ON EARTH—Is the reason
 people will not, cannot, or do not
 see any difference in cheap nos-
 trums put up by Cheap John
 houses or irresponsible parties at
 enormous profits, rather than take
 a medicine of world wide reputa-
 tion and one that is giving univer-
 sal satisfaction at equal price? No
 medicine in the world is giving
 such unparalleled satisfaction for
 purifying the blood as BEGG'S
 BLOOD PURIFIER & BLOOD
 MAKER, and every bottle that
 does not do its work, will cost you
 nothing.—W. H. Chedie Druggist

TOO FAST FOR THE BOSS.

A preacher in Muskegon Mich.,
 has gotten a few of the conference
 committee into his hair because
 he treated his congregation to a
 horse race occasionally, but when
 the formal charges have been pre-
 sented Pastor Arney will ask the
 conference to determine for what
 purpose the Creator gave to man
 animals sleeker, better working
 and of more speed than others of
 the species unless it were intend-
 ed that their superior abilities
 should be made manifest in the
 sight of all.

The query is likely to prove a
 poser for the conference, and if
 that body is once inclined to con-
 cede that there must have been
 some ulterior design in creating
 fleet-footed animals, then it will
 have been conceded also by a
 theological conference that it is
 also right to demonstrate and ex-
 hibit the superior abilities of the
 superior class of the species in
 question.

Pastor Arney himself is not at
 all worried over the outlook. His
 flock at Saranac sticks by him and
 he knows it. He has preached
 many a sermon and drawn many
 a moral lesson from his stable,
 and in so doing, as he says him-
 self, he has brought forth fruits
 meet for repentance.

As to the right of the confer-
 ence to take action in the matter,
 Pastor Arney says: "The church
 can not dictate to me what I shall
 do beyond a certain limit. I am
 not going out of my way in the
 least to apologize or attempt a
 vindication. I have done nothing
 wrong and am perfectly will-
 ing to abide by the result. If I
 see fit to give another horse race
 in the future that is my affair,
 and I do not concede that a church
 has any right to interfere with me
 so long as I serve my people as a
 pastor."

His congregation is very fond
 of him, and backs him through
 thick and thin in the contest.

For Sheriff.

Mr. Wm. Bottsford of Empire
 announces himself as a candidate
 for Sheriff in another column.

Mr. Bottsford is an old Repub-
 lican and has a large following in
 Empire. He is a capable man
 and if nominated would be elected.

A Card.

I desire to state to the public
 that I am still in the bark busi-
 ness, and am prepared to furnish
 the same in small or large quanti-
 ties, at any and all times.
